

# *Freedom's Friend*

Written by Jimmy Stowe

Remember when you needed me  
To stand to keep our country free  
I didn't need your pity or your praise  
If you only knew ... how hard I fought for you  
Maybe your thoughts of me would change

I wish that we could walk together  
Though I'm paralyzed I'm still a man  
Don't forget that I'm your brother  
I held your freedom in my hands

I'm Freedom's Friend ... I was there any time or where you needed me  
To stand up for my country - to defend our liberty  
I'm Freedom's Friend ... in this chair is the heart of a real American  
Proud to look you in the eye and shake your hand  
I'm Freedom's Friend

You hide when I go by ... but I can hold my head up high  
Knowing that the Stars and Stripes still wave  
Someday I hope my friend ... to get back on my feet again  
But you don't have to be afraid

We've got so much more in common  
Than I think you really know  
Let's share our differences tomorrow  
And we won't be strangers anymore

I'm Freedom's Friend ... I was there any time or where you needed me  
To stand up for my country to defend our liberty  
I'm Freedom's Friend ... in this chair is the heart of a real American  
Proud to look you in the eye and shake your hand  
I'm Freedom's Friend

I heard my country's call and when it mattered  
I laid my life down on the line  
Though my soul was broke and shattered  
My heart was in it ... all the time...

I'm Freedom's Friend ... I was there any time or where you needed me  
To stand up for my country when my country needed me  
I'm Freedom's Friend ... in this chair is the heart of a real American  
Proud to look you in the eye and shake your hand

I'm Freedom's Friend

Anytime you needed me

Freedom's Friend

Still proud as I can be

Freedom's Friend ... in this chair is the heart of a real American

Can you look me in the eye and shake my hand? Maybe then you'll remember who I am...

Freedom's Friend
